

Arcadia

Arcadia is the perfect home for all 42" flat panel televisions and monitors. Using the factory installed, easy-to-use universal flat panel mounting system, the television can be tilted to give you the clearest, brightest picture wherever you sit. Arcadia is made of birch solids and cherry veneers in a beautiful walnut finish. Other features include all-media storage compartments, a surge protected power strip, power ventilated component compartment, and a speaker compartment for a center channel speaker or three or five channel speaker bar. And, Arcadia can be moved with you when you move to a new home.
