Columbia complements the contemporary chassis of your television, but gives you the warmth of wood in your home. The Java finish highlights the birch solids and cherry veneers. It's low profile is perfect for today's 16 X 9 format televisions. A long list of features means that Columbia has both great function and great style.

Features:

1. Audio compartments are ventilated for heat dissipation to prolong furniture and component life
2. Touch lighting easily operates pier cabinet and light bridge fixtures
3. Speaker cloth inserts for left and right channel or sub-woofer speakers in each pier unit
4. All-media storage pullouts in each pier provide easy access to CDs, DVDs, and video cassettes
5. Surge protected power strips in each pier cabinet
6. Removable back panels for easy access to components
7. Shelving engineered for easy transit of cables between components
8. Multiple wiring ports including large cable access
9. Expandable bridge and shelf accommodates most rear-projection televisions
10. Hand grips engineered in all pieces to make moving furniture easy & safe
