

Dana Point

The Dana Point wall is perfect for today's tabletop DLP and LCD televisions---both in style and function. The contemporary design complements the television chassis, but you enjoy the warmth of wood in your room. The low, fifty inch wide, bowed front console is perfect for TVs from 30" to 52" diagonal screen size.

** Shown in Espresso finish. Also available in Cherry (-64C) and Natural (-64N) finishes
