The Prism Cherry wall features beautiful bowed front, felt lined utility drawers--perfect for the storage of CDs, DVDs, or VHS tapes. The audio compartments have thick glass shelves engineered for plenty of room for transit of cable between components. The 50" TV cart can be used in the wall system or as a free standing cart and is perfect for tabletop televisions up to 52" diagonal screen size.

### **Features:**

1. Multiple wiring ports including large cable access
2. Each pier has three 1/3" thick adjustable glass shelves
3. Removable back panels for easy access to components
4. Shelving engineered for easy transit of cables between components
5. Rheostat controlled lighting easily operates pier cabinet and light bridge fixtures
6. Hand grips engineered in all pieces to make moving furniture easy & safe
7. Expandable bridge and shelf accomodates most rear-projection televisions
8. Open audio compartments allow for heat dissipation to prolong furniture and component life
