14. Rear projection back panel and expandable bridge/shelf give custom cabinet appearance for up to 73" television

Southfield is ready for any type of rear projection television-- floor model or tabletop. The expandable console fits most LCD or DLP tabletops from 43" to 70" diagonal screen size. Five different widths of center channel or subwoofer speaker cloth panels are included. The brown cherry finish complements a wide range of other finishes you may have in your room to help create an eclectic atmosphere. Mix Southfield with antiques-- it will work.
