

Valencia

Valencia is the perfect home for all 42" flat panel televisions and monitors. Using the factory installed, easy-to-use universal flat panel mounting system, the television can be tilted to give you the clearest, brightest picture wherever you are sitting. Valencia is made of birch solids and ash burl veneers. Other features include all-media storage compartments, a surge protected power strip, power ventilated component compartment, and a speaker compartment for a center channel speaker or three or five channel speaker bar. And, Valencia can be moved with you when you move to a new home.
